

ANNUAL GENERAL MEETING

Sat. May 19th Broughton Room, Crook County Library 6:30PM

IN MAY, HDE WILL HAVE TWO VACANCIES ON OUR BOARD OF DIRECTORS.

At this time we don't know of anyone who wants to be nominated. Unless this changes, there will be only three Board members after the annual meeting, May 19th. Two more are needed, and other volunteers as well, to maintain our water system, roads and other necessary work. **Without enough volunteers, water system maintenance would need to be done by a for-profit company.** Road maintenance and other work may not be done when needed, or not at all.

We are asking each of you to consider helping. Board meetings are the 3rd Tuesday of each month at 6:30 pm, HDE office, 4488 SE Jerry Drive. No experience is required, the work is interesting and working together with fellow residents of our community can be satisfying. The work can be divided so it is not more than any one person has time for. We ask everyone who lives here to give it some thought. At \$45 a month our water rates/assessments are extremely low. This can only continue with ongoing help from members of our community.
