## Notes from the Board President

Hello all HDE members! We are moving forward on getting the office trailer moved to Lot 139. Permits are all in. I have been to the courthouse every day to give them the information they need. I know more about building permits than I want to know. My father told me to learn something new every day, and I have!

### More to do

To build a Porch ramp; establish Handicap parking; new septic tank required at new site; etc.

### Office Trailer timeline

hopefully March – April 2019: Everything to be fully ready to move in! In the meantime, the Board is meeting monthly at the **Prineville Library in the Juniper Room at 6:30 pm, every third Tuesday**. All HDE residents are welcome to attend our Board meetings.

### New Treasurer /Board member / HDE website / expanded Newsletter

Michael Berger is now Treasurer and Board member while filling Leona's spot. He is also working on a user-friendly HDE website after receiving lots of input from Board members. By the way, his wife Petra is assisting with our newsletter. They both have a helpful background and take their assignments seriously.

## News from the Neighborhood

### Fast driving & dogs

We had an owner lose a dog due to someone hitting it in the road. The property owner worked hard to keep the dog inside the yard. Whoever hit the dog did not stop. **25 MPH** is the Speed limit and we need to **Stop** at Stop Signs!

### Saving \$\$ for the HDE reserve

Please notify the Board IF you can now change the mailing of this newsletter & the water bill to an **E-mail address for you** - congratulations if you got a new computer. If everyone could now get notices per Email on a computer, HDE would save \$720 /per year into our reserve piggy bank.

**Future Newsletter topics - - - please suggest as you wish, to [petraoregon@gmail.com](mailto:petraoregon@gmail.com)**

### Volunteering

Teenagers want to do property work – raking leaves, etc.; Home owners or family can also help to meet HDE's needs. Please send us your name and we will contact you;

### Meet your Neighbors

Individual monthly interviews as agreed, including Newcomers, to get to know each other better;

Buy & Sell Trade column; etc.

## And finally - - -

The Board is always working to keep High Desert Estates what it should be: A safe and enjoyable place to live. And please remember you can contact any board member at [hdehoa172@gmail.com](mailto:hdehoa172@gmail.com). We welcome all comments, so we can do the very best job.

Be safe and have a Wonderful Thanksgiving season of the year.

Diane Dendy, Board President

Petra S. Berger, Newsletter Editor
