### Notes from the Chair

Diane Dendy

Our next Board Meeting is on August 20, 2019 at 6 pm in the library. We did not have a meeting in July.

It is worth repeating that Fire Season is here, and we all need to be prepared. Below are two great resources for you to check out:

[www.Crookcountyfire&resuce.com](http://www.Crookcountyfire&resuce.com) and [www.Readyforwildfire.org](http://www.Readyforwildfire.org)

All are welcome at the monthly first Wednesday HDE Breakfast at Crossroads Restaurant located at 121 NE 3rd St. Ordering starts at 8:30 to 9:00 am. Put it on your calendar for next month (September 4<sup>th</sup>) if you did not make it this month!

The HOA office relocation to 5980 SE Jerry Dr. is moving forward. Power Poles are in, the Septic Holding Tank and Water Lines are in. We are waiting for the Electric Box Meter Base, the floor to be fixed, and the Deck to be built. Mr. & Mrs. York donated for the HOA a framed photograph of the HOA. It is a Beautiful aerial photo and it will hang in the Office. Thank you both for this gift.

We hope to have all remaining issues resolved and be in the office this September. When the office is ready, the Board would like to have a Potluck Dinner and celebrate living in the beautiful high desert. You will be notified when we are ready. We will be delighted to see you, have you meet your neighbors, and share your thoughts. The Board always wants to help this HOA be the very best.

Backflows are going forward. The Purpose of the backflows are twofold. One, it protects our water, and the other is it protects you. So, when we have a pipe break, it protects your hot water tank from damage. Thank You all for your understanding of the importance of this device.

Do you have something for sale or that you want to pass on to others? Let us know and we can put it in the newsletter when we have space. Dorothy Wills (541-771-0668) has items she would like to pass on. Ken Lundy (503-548-3517) is selling some Chain-link Fencing. We have some kids in the neighborhood who are willing to do yard work for money. This is the Jessee Family (541-408-1791). Fred Welty does lot mowing. Give him a call (541-788-5445).

We have a group of people reviewing the By-Laws and CCR's for needed updates. If you would like to submit something for this group to review, please send it to [hdehoa172@gmail.com](mailto:hdehoa172@gmail.com) and I will see that they get your e-mail.

Please keep in mind our recommended alternate watering days to reduce the impact on our water system during the peak summer months.

I Hope all of you are enjoying the summer.

THANK YOU, Diane Dendy
