Notes from the Chair

Diane Dendy

We hope everyone is staying well while dealing with the **Coronavirus**. If you know of someone who cannot get out to get what they need, please call the Office at 541-236-7284 and let us know. We have folks who are willing to pick stuff up and leave at their door when they go to town.

Cancellations: Please note that the following HOA meetings have been cancelled until further notice due to Covid-19.

Monthly HOA Board Meeting. When necessary, the Board president will contact all board members to discuss via phone any major matter requiring Board approval.

Annual Meeting was originally scheduled for May 30 in the library. We have been informed it will be closed until July. The meeting will be rescheduled when local authorities advise the public that it is safe to do so!

2nd Wednesday Breakfast is postponed & will follow the guidelines above for rescheduling.

Do not forget to check our website at <https://www.desertsky.org/HDEHOA/> for updates!

The **HOA Phone** is working great! Please call 541-236-7284 to leave a non-urgent message for the Board. Messages left on the phone will be automatically directed to the HOA email address for Board follow-up. If you have an emergency, please call 541-280-4113 and someone will get back to you.

The HOA now has **three Drop Boxes!** A new one has been installed on the South door at the HOA office! The other drop boxes are located at Cistern #3 (SE McKenzie Pl.) and 4830 SE Jerry Drive. Save postage and use one of these drop boxes for HOA water payments.

The annual drinking water report (**Consumer Confidence Report**) is included with this newsletter.

Special Thanks to the following for their help to keep our Subdivision looking and running Great!
